

And what has been happening in the wonderful world of the Dewey graduate? Here it is (for your eyes only), the sordid tales of the wretched existences which Dewey graduates have been living in the "real" world. (Remember that names and dates have been changed to protect the innocent.)

- Adler, Rachele (1973). Is presently working with the State Unemployment office and plans to apply to law school.
- Armelio, Joanne (1973). Getting married in the Fall.
- Benjamin, Bill (1972). Finishing degree in hotel management in the University of Nevada, Las Vegas.
- Besmertnik, Sidney (1972). Married Laurie Weinstein (1973) and is finishing his masters degree in chemistry. He will be a Junior Process Engineer when they move to Tampa, Florida, in December.
- Beyda, Jay (1974). A senior in Columbia University, majoring in Astrophysics and Computer Science, planning to do his graduate work in Astronomy to work towards being an astronaut. Enjoys scuba diving and reading science fiction.
- Brodsky, Jay (1973). Presently an announcer for WBCR, the Brooklyn College radio station.
- Bromberg, Judy (1972). On leave of absence from Nursing school and operating a switchboard.
- Brooks, Stephanie (1972). Recently opened an Arts and Crafts shop in Buffalo.
- Bukatman, Scott. Spent his summer making submarine sandwiches at The Subway in Providence, Rhode Island.
- Burger, Tyla Ann (1973). Will enter the City College, Mt. Sinai School of Nursing in January. Presently working as a Veterinary Nurse, while running the publication for the N.Y.U. Science Fiction Society.
- Casa, Mike (1974). Presently the President of the Parapsychology Club of Brooklyn College.
- Chayut, Ira (1972). Working for Bell Labs in Chicago after completing an advanced degree in Computer Sciences from the University of Chicago with the financial encouragement of Bell Labs.
- Edelman, Naomi. Has been married.
- Eichman, Helen (1974). Playing the guitar at folk mass. She also successfully auditioned for GIRL CRAZY at Brooklyn College, only to have the entire production cancelled.
- Feldman, Tina (1975). Plans to be married in June.
- Fischer, Julia. Has gotten married.
- Fogel, Robert. Working as a Junior Programmer.
- Gerszonowicz, David (1973). Has had his last name changed to Gershon.
- Hairston, Faith (1974). Was married in January to Joe Monge and is working as an assistant manager of the locksmith booth in Kings Plaza.
- Hershey, Nancy (1973). Married Stanley Lord last June.
- Hotz, Thomas (1972). Presently taking Psychology classes at the New School for Social Research while planning on working for an MA in Human Resources and Manpower Development and finally working as a Personnel Director in a health administration setting. During the summer he worked on a research grant at the Board of Health, VD Control, in a Personnel Research study.
- Hubbard, Arthur (1974). An English major in Tucson, Arizona, he studied Spanish in Mexico over the summer. Also learned skydiving.
- Kaplan, David (1977). Chosen for the 6-year Medical Program (instead of 8) at City College, he won the top prize at the International Science Fair after being one of only 5 N.Y. City students chosen to go to Chicago.
- Kesselbach, George (1972). Engaged to Julie Payrich (1973) and plans to go into the Coast Guard on the West Coast in January. Recently took his test in scuba diving.
- Kinsella, Theresa (1975). Married and has a baby girl.
- Koppel, Bonnie (1973). Married and living in Philadelphia.
- Kornfeld, Eddie (1973). Presently going to business school.
- Krueger, Francis (1973). About to have an audition for the Metropolitan Opera.
- Lane, Bruce (1973). Visited South Carolina for the summer and is still into science fiction and has joined a Tolkien group.
- Lazar, Mike (1973). Presently visiting a commune in New Hampshire.
- Lazarus, Karen (1972). Has been married.
- Levis, Judy (1973). A typesetter for a publishing company (worked on new Elvis book), going to study Visual Arts & Artwork.

- Lombardo, Susan (1972). Has been married.
- Monblatt, Cathy (1974). Is learning woodworking from her boyfriend.
- Payrich, Julie (1973). Is engaged to George Kesselbach (1972) and is working as Assistant Manager in a Co-op super-market while going to Brooklyn. She recently became President of the Brooklyn Collbge Geology Club.
- Powledge, Pauline S. III. Worked for 1½ years as a reporter for the BROOKLYN HEIGHTS ARTS AND LEISURE newspaper. She is presently coding questionnaires while preparing to spend several months in Europe before taking up Journalism in January in the New School for Social Research.
- Rosenspan, Helene (1973). Married Label Baum and has one child, Penelope.
- Sarra, Doreen (1974). Is presently employed successfully in an insurance company.
- Sprague, Gilbert (1975). A devoted Yankees fan, has been seen attending Mets games this summer and is asked to explain this contradiction to Reggie Jackson.
- Stillman, Paula (1971). One of the original five graduates in the first graduating class has been married.
- Sunshine, Jeff (1972). Presently in a combination Business/Law program at Hofstra Law School.
- Vuono, Maria (1973). Worked on the Frank Barbaro campaign for City Council and is now looking for a job.
- Weinstein, Laurie (1973). Married Sidney Resmertkik (1972) last June. They are staying in Massachusetts through November when they will move to Tampa, Fla. for Sid's new job. Laurie will complete her last college semester down there.
- Wesley, Melvin (1976). Passed his Physics and Chemestry exams.
- Wilensky, Sheryl (1973). Has moved to New Jersey where she is a computer programmer.
- Wugman, Mark (1972). Has entered a two-year program in Penninsula Hospital to become an X-ray Technicisn.
- Zetooney, Ellen (1972). Presently taking her Ph. D. in Botany.
- Zweig, Larry (1972). Has moved to Israel and will be living on a kibbutz for a year.
- Levine, Sol. Principal of John Dewey High School for seven of its eight years, accepted a position as principal of Beverley Hills High School in California and has moved his family out to the West Coast.
- Metzger, Jack. Has accepted the position of Acting Principal. He is also one of almost 100 people who applied for the permanent position of Piincipal.
- Stendel, Stephen. Has accepted the temporary position of Assistant Principal in Charge of Guidance, previously filled by Jack Metzger.
- Balin, Ben. Has accepted the temporary position of Program Chairman, previously filled by Steve Stendel.
- Jerome, Elmer. (Music Department) married and retired from teaching in January, went to live in Europe with his wife, and passed away in June. His enthusiasm and gentleness will be sadly missed.
- Haber, Alvin. (Science Department) passed away from a heart attack in the Spring. One of the most popular teachers in the school will be remembered by all he came into contact with.
- Karlin, Lillian. (Gaidance Dept.) went on leave and is planning to retire at the end of it.
- Rosen, Steve. (Business Dept.) retired and was replaced as Chairperson by Sylvia Jacobs.
- Corayeb, Isabelle (formerly Fitzgerald). (English Department) is the mother of a bouncing baby boy and she has returned from Maternity Leave.
- Giordano, Carmine. (English Dept.) is working towards a degree in Psychology.
- Rubino, George and Taikoff, Stanley. (both English Dept. although Stan has left) both have had their own plays read at performances.
- Buetti, Bernard. (Phys. Ed. Dept.) has overwhelmed audiences with his voice and his band at nightclubs.
- Smith, Lewis. (Social Studies Dept.) has accepted the position of Chairman at Harry S. Truman High School in the Bronx.
- Bini, John. (our J.D.H.S. Police Officer) injured his back and will probably not return to Dewey. Instead he may retire from the Police Force.
- Asst. Boys Dean--Bob Levy//COSA--J. Majzlin
VANGUARD Fac. Advisor--Gladys Levy
Treasurer--Bob Sarnoff//1000yr.teacher--A.Merker
I.S.G.A. Coordinator--Brian J. McCarthy

Can you help us out? The above information has been gotten by phoning a number of Dewey graduates. While there may be a few errors (in some cases we didn't know the year of graduation), most information is accurate. However, we need to find out what has happened to the thousands of graduates not listed. Send us info and addresses.
