## WELCOME BACK!

For those of you who hadn't heard, there was a holiday party sponsored by the alumni association just before Christmas last year. If you're wondering why you never got an invitation, it's because the mailing list for the 1978 graduating class had disappeared. No one knew who we were or where to find us.

Ironically, '78ers were the best-represented class. Each of us had heard about the party from someone else.

We were approached as a group by the association officers and asked if we wanted to organize a tenth-anniversary reunion. And so began our work.

We used a yearbook to recreate a list of grads. We searched through tens of thousands of cards to find addresses and telephone numbers. We made phone calls. We mailed letters. We put up fliers. We advertised in newspapers, on radio, even on cable TV. We wanted to contact as many '78ers as we could.

Well, we didn't quite make it to all 800 people in our class, but we're glad we got through to you. We hope you have a great time tonight.

ENJOY!

## IN MEMORIUM

The Class of 1978 reunion committee would like to commemorate those who shared our lives at Dewey but did not live to join us in this celebration. We remember them fondly.

### WHO'S MISSING?

If you know a 1978 graduate who has moved and has not heard from us, please let us know. We need your help to update our mailing list.

### DEWEYGRAM

The Alumni Association newsletter, DEWEYGRAM, has joined the ranks of VANGUARD, MATRIX, and all the other publications we read as Deweyites. If you haven't received one, pick up a copy at the registration desk.

If you want us to print an update for you, fill out an update form (also available at the registration desk).

Have any ideas for articles, stories, etc? Let us know. We publish for you so we want your input.

### SUPPORT YOUR ALUMNI ASSOCIATION

The Dewey Alumni Association is finally alive. We want to keep it that way, but we need your help. It costs just \$15 to join and your dues will enable us to continue publishing and mailing DEWEYGRAM. It will also help us bring you other events like this reunion.

### IT WAS TWENTY YEARS AGO TODAY

Where were you in May 1968? Probably in grade school, not thinking about high school, and never having heard of John Dewey. But the Dewey Experience had been conceived and was about to be born.

Next year marks the 20th anniversary of John Dewey High School. We think that's cause for a party -- a grand celebration.

Want to help plan it? Let us know.  
Got any suggestions? Let's hear them.  
Are you coming? We hope so.
